# About Us

At **INDISEAL SEALANTS**, we are a leader in the segment offering very high quality silicone and acrylic sealants. After having a very successful market acceptance, we were encouraged by our patrons to start our own range of Glass Hardware, resonating the same high grade quality of Indiseal Products. This hardware range is named as "INDIZONE" by us.

**Indiseal Sealants - Indizone Architectural Hardware**, introduces to you a comprehensive range of hardware used for Glass Doors, Facades, Canopy fittings, Patch fittings, Shower Enclosures, Door Handles, Friction Stays and more.

We provide world class solutions for Commercial Malls, Homes, Offices, Industries like Hotels, Hospitals, Banks, Government premises and many more.

Moving ahead with the urge to provide high quality products we introduced door control devices of international quality standards like CE Certification.

While our country progresses at a rapid pace in Infrastructural development, the need for quality Architectural Hardware and Door Controls to suit every need and application is being felt more and more. Indizone champions the cause of high quality Door, Window Controls and Glass hardware ensuring utmost safety, caring for our customers.

We have taken care to collect the Finest High Quality Standard products from the best ISO Certified production bases, to our specifications designed to suit the domestic market to provide the utmost satisfaction at Indian Prices.

Every single Indizone product, is the result of years of market research and application of most modern manufacturing facilities to provide you a safe solution to your needs. For projects and large orders we also provide customized solutions as per need.
