# From Chairman's Desk

Established in the year **2004**, we, "**Earth Clinic India**", are a prominent organization engaged in rendering **Joint Pain, Psoriasis, Cosmetic and Laser Treatment** to our esteemed patrons. These services are offered by a team of highly qualified and experienced doctors who have immense in-depth knowledge in their respective domains and are instrumental in offering these services in flexible forms. Moreover, the services rendered by us have been widely appreciated by the clients owing to their effective nature, cost-efficiency and zero side effects.

For the purpose of curing the ailments of our patients in the most effective manner, we make the use of selected and vital medicines which have been widely acclaimed for their purity and accurate compositions. Further, we are backed by highly dedicated professionals, who make sure to analyze the personal body constitution of the patients, before treating them with our services, so as to avoid causing any sort of inconvenience to them. Moreover, these professionals make use of the latest technology and advanced equipment in order to render these services to our esteemed clients. Being a client-centric organization, we make sure to follow strict medical guidelines while rendering these reliable services to our esteemed patrons. In addition to this, our services are flexible enough and can even be given to the patients who are unable to approach hospitals or clinics, at their respective places. We understand the concern of our esteemed customers, therefore are instrumental in offering these services at the most nominal prices, thereby assuring the customers speedy recovery from all ailments.

Under the able guidance and expertise of our mentor, '**Dr. Pankaj Bharti**', we have been able to render these excellent services to our esteemed patrons in a highly efficient manner.
