PITRU KRUPA
ENGINEERING

COMPANY PROFILE

Established in the year 2009 in Ahmedabad (Gujarat, India), we "PITRUKRUPA ENGINEERING" are the leading manufacturer and supplier of an efficient range of Aerospace Parts, CNC Milling Components, CNC Turning Components, Compressor Part, Conventional Machines, Fuel Pump parts, Gears, Hydraulic Gear Pumps, etc. We are appreciated for our consistent quality standards, so we precisely manufacture these products using high quality raw material and advanced technology in adherence to international quality norms. Under the guidance of our Director, "Mr. Rahul Chavda", we are able to get the maximum satisfaction of our customer. His ample knowledge and experience of the industry also help us carve the highest position in the industry. The offered products are highly demanded in the market for their features such as high performance, durability, easy to install, anti-corrosive, trouble free operation and minimum maintenance. These products are available in different specifications as per the demands of our customer. In addition to this, our clients can also avail **Fourth Axis Jobs** from us.

As an ISO 9001:2008 Certified Company, we have a well-constructed infrastructural set up that is divided into various divisions such as manufacturing, quality testing, production, sales & marketing, etc. All these units are installed with the cutting-edge tools and machinery in order to fulfill the large-scale demands of customers. Our installed tools and machines are usually updated to get high efficiency and quality in the manufacturing process. Being a customer centric firm, our main purpose is to get utmost client contentment. With the help of our competitive pricing policy and ethical business practices, we have achieved a huge client base. Our experts work closely with customer to get maximum clients' satisfaction. We manage a level of transparency in all our business dealings that help us to be trusted firm in this domain. We also take payments through easy option like cash, cheque and DD for clients' convenience and providing them optimum satisfaction.

CNC MILLING COMPONENTS

Manufacturer & Exporter of CNC Milling Components & CNC Milling Component. Our product range also comprises of CNC Wire Cut Components and CNC Turning Components.

CNC WIRE CUT COMPONENTS

Manufacturer & Exporter of CNC Wire Cut Components & CNC Wire Cut Component. Our product range also comprises of CNC Milling Components and CNC Turning Components.

CNC TURNING COMPONENTS

Manufacturer & Exporter of CNC Turning Components & CNC Turning Component. Our product range also comprises of CNC Milling Components, CNC Wire Cut Components.

FOURTH AXIS COMPONENTS

Manufacturer & Exporter of Fourth Axis Components & Fourth Axis Component. Our product range also comprises of CNC Milling Components, CNC Wire Cut Components and CNC Turning Components.

AEROSPACE PARTS

Manufacturer & Exporter of Aerospace Parts & Aerospace Part. Our product range also comprises of CNC Milling Components, CNC Wire Cut Components and CNC Turning Components.

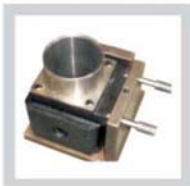

SPROCKETS & GEARS

Manufacturer & Exporter of Sprockets & Gears & Sprocket & Gear. Our product range also comprises of CNC Milling Components, CNC Wire Cut Components and CNC Turning Components.

AUTOMOBILE PARTS

Manufacturer & Exporter of Automobile Parts & Automobile Part. Our product range also comprises of CNC Milling Components, CNC Wire Cut Components and CNC Turning Components.

TEXTILE MACHINERY PARTS

Manufacturer & Exporter of Textile Machinery Parts & Textile Machinery Part. Our product range also comprises of CNC Milling Components, CNC Wire Cut Components and CNC Turning Components.

VALVE PARTS

Manufacturer & Exporter of Valve Parts & Valve Part. Our product range also comprises of CNC Milling Components, CNC Wire Cut Components and CNC Turning Components.

PROGRESSIVE TOOLS

Manufacturer & Exporter of Progressive Tools & Progressive Tool. Our product range also comprises of CNC Milling Components, CNC Wire Cut Components and CNC Turning Components.

ALUMINIUM PRESSURE DIE CASTING

Manufacturer & Exporter of Dies & Moulds & Die & Mould. Our product range also comprises of CNC Milling Components, CNC Wire Cut Components and CNC Turning Components.

JIGS & FIXTURES

Manufacturer & Exporter of Jigs & Fixtures. Our product range also comprises of CNC Milling Components, CNC Wire Cut Components and CNC Turning Components.
